6. Open Forum

- (7) The Chairman welcomed
 - (i) Anna Moore, who, having recently been appointed Rector to St Mary the Virgin Buckland and St Michael's Betchworth was attending to observe the meeting;
 - (ii) one Buckland resident;
 - (iii) MVDC Cllrs Potter and Budd; and
 - (iv) congratulated Cllr Potter on his recent appointment.D.Cllr Potter expressed his intention, to work alongside D.Cllr Budd with all three Parish Councils in the 3Bs.
- (8) Council **resolved** to record a vote of thanks to John Muggeridge for the support he extended to Buckland Parish Council and the village during his eight-year term as one of our two D.Cllrs.
- (9) The Chairman established that whilst the recent planning and licensing applications at the Shell garage remain a key interest that the recently observed increase in lorries taking "breaks" parked up on our local roads and on the forecourt of Shell Buckland is also generating concern.

(10) The Clerk provided the following update on the Shell applications:

Shell - Licensing

- (i) Council welcomed news that Shell had amended its application to remove a proposed extension to the operating hours for sale of alcohol and to withdraw the application for a license to serve hot food and drinks after 11pm;
 - (a) Council noted that, at the request of the applicant (Shell), a meeting of the Licensing sub-committee, convened for 16th May 2019, had been postponed;
 - (b) MVDC Licensing had advised a new date will not be agreed for some time as appointments to serve on the Licensing Committee will not be made until 21st May 2019 and any new appointees will need to receive appropriate training.

Action: Clerk to circulate date for reconvened meeting and arrange for the Parish Council to be represented to express concerns that need to be addressed by the applicant prior to MVDC granting a new premises licence (i.e. light, noise, litter).

Shell – Planning – MO/2018/1848

- (i) Although the MVDC Case Officer is preparing papers to present to the June meeting of the Development Control Committee, this timeline is conditional on Shell responding (this week) to questions recently submitted by SCC Highways;
- (ii) Recent reports from Buckland residents have provided MVDC with photographic evidence to highlight the congestion currently being caused by lorries parking on the forecourt and a lack of storage for delivery cages, waste bins and trollies at Shell Waitrose Send (a similar sized operation to the proposed new store at Buckland);
- (iii) Until the Case Officer report is published it is unclear how many of the parish council's requests the planning team is willing to support through conditions.

D.Cllrs Potter and Budd commended the Parish Council for the effort that had been invested to date and expressed their hope that MVDC will accord appropriate weight to the Parish Council responses. The Parish Council acknowledged the need for our two District Councillors, mindful that either one of them could be appointed on 21st May 2019 to serve on the Development Control Committee, to ensure they are seen to retain an open mind until such time as the Development Control Committee meets to determine the application.

D.Cllrs Paul Potter and Simon Budd left the meeting.

On street parking in Buckland

- (11) Council noted the following feedback received since the March meeting:
 - (i) regular customers of Buckland Deli are advising the owner that a lack of space to park is preventing them visiting the shop, especially midweek;
 - (ii) residents continue to be adversely impacted by inconsiderate parking that makes it very difficult to exit residential driveways in Old Road;
 - (iii) residents of Robins Close complain about vehicles parked close to the junction of Robins Close and Old Road obstructing sightlines;
 - (iv) several residents recently restated their concern about on street parking in the centre of the village and a recurrence of what appears to be vehicles parked for extended periods of time;
 - (v) tall sided vehicles parking between the junction of Dungates Lane and the bus stop blocking views of buses approaching from Reigate and making it hard for the less mobile to walk from the stop to the bus. Some bus passengers now feel they need to stand in the carriageway of Old Road to hail a bus.
- (12) In January 2018, when concern about on street parking was last discussed, Council expressed a preference for encouraging all local road users to act with consideration for residents and to exercise due care to safeguard local amenities. **Action:** All to act proactively to encourage everyone with an interest in the local community to take every opportunity to encourage more considerate driving and parking in our village to reduce the very real risk of losing local amenities.

Surrey Police

- (13) The Mole Valley Neighbourhood Police Team had advised four **reported crimes** in Buckland since 12th March: one burglary, one use of fraudulent bank details to purchase fuel and two vehicle stops, leading to one arrest for possession of drugs and one for driving when under the influence of drink/drugs. A further fourteen incidents had been recorded: three reports of suspicious circumstances, one of concern for safety, and ten relating to incidents on the highway (five traffic accident collisions (damage only), two road related offences, one report of vehicle nuisance and two instances of highways disruption).
